In Access to Success: #1 - The Blessing of Prosperity, Bishop Anthony Gibbs opens the door and introduces the everyday Christian to investing in the stock market. As the Word of God says in the Parable of the Talents, we are to trade our money and make more. God intended you to live a life of abundance. However, unlike most prosperity-preaching books that give you a lot of motivation and very little substance; Access to Success actually takes you by the hand and shows you step-by-step how to get started investing in the stock market to change your life. The Bishop provides clear instructions on how and where to find the little bit of money you need and how to get started. We know that Faith without works is dead and Bishop Gibbs provides you with the exact work and plan for you to follow to manifest your greatest breakthrough.
