ASP.Net MVC 4 Mobile Websites in a Day (Paperback)

By Oscar Parkin

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. MVC is a framework from Microsoft for building web apps. It follows the Model View Controller design pattern to keep the data, views, and logic clearly separated in apps, and encourages developers to follow good coding practices. The framework provides the Razor view engine for creating a consistent look and feel in your apps, and HTML helpers to provide an easy way to design your app without having to write all of the markup on your own. With MVC by Nick Harrison, you will learn how to use these features and more, including how to integrate your app with jQuery, and how to use MVC scaffolding to automatically generate the more tedious portions of your code. This updated and expanded second edition of Book provides a user-friendly introduction to the subject, Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required reading...
