

The Printing Times and Lithographer Volume 6; An Illustrated Monthly Technical and Fine-Art Journal of Lithography, Typography, Engraving, Paper-Making and the Auxiliary Trades

By Books Group

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1880 Excerpt: .for foot-power; and the Patent Bookrounding Machine, for hand or steam power. Brown (benjamin George Co.), 44, Collinpvood Street, Blackfriars Road, S.E.--Lubricators. (Stand 98.) Clowes (william George), Stamford Street, S.E.--Hooker s Type-Composing Machine, and Clowes s Machine for Blackleading Electrotype Moulds. In the Type-Composing Machine the discharge of the types from the troughs is effected by means of a range of small electro-magnets, placed one behind each trough, and in connection with metal contact-plates, at which the compositor operates. These contact-plates are of different sizes, being, in fact, as to comparative size, shape, and arrangement, a copy of the ordinary lower case. Before these contact-plates, as before a desk, the compositor sits and proceeds much as he is accustomed to do: only that, instead of picking out the types from the boxes of his case, he touches in succession the corresponding contact-plates with a wire pointer,...

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- Lillie Toy

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde
