CREATIVE Journal Notebook The Luxury of Creativity Business Creation Bring creativity to the table, in fact creativity is what a business of any kind needs these days, in a world where just about everything has been done, creativity knows different. It sounds counterintuitive, but not playing by tradition keeps proving to be surprisingly beneficial. Because creativity plays a key role to great success! When creative inspiration comes, grab it! Don't say, I'll do it later. Later may never come! Do it when it hits. Grab it, and write it down, work it. Be faithful in those creative moments. Those moments build you. The beauty of handwritten journals are to leave those legacies behind as treasures. This inspirational notebook does just that! Create with your heart! Where passion lives!
