Outskirts Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. James Vena is an innovative and strategic thinker who has influenced key decision-makers globally in business development and revenue growth strategies. For more than thirty years, James has built a resume that encompasses a wide range of industries and expertise in sales, marketing, entrepreneurship, finance, merger arbitrage, technology and executive management. He has successfully developed innovative, high growth businesses and restructured companies that immediately demonstrated accelerated sales and profit growth. His 30 year career has been marked by success across many countries and industries. This track record has established James s credentials as both a seasoned internationally astute executive and a disruptive innovator with a quick and fearless mind to seize opportunities along with the ability to articulate the mission needed to achieve specific goals. Mr. Vena s career started as a China trader of commodities in the early 1980 s for a large US firm. After 5 years, he founded his own trading company at 26 and over the next 20 years developed that company into an internationally recognized brand with offices in 24 locations in some 15 countries. After retiring as CEO and Founder of his global trading company to take a 5-year sabbatical in order to care for his cancer stricken wife and help raise the couple s young children, the always energetic James unretired and re-entered the world of international business. However, this time focusing on his past experiences, leadership skills and entrepreneurial mind-set to help develop and grow small businesses and early stage ventures. James s entrepreneurial mind-set and dynamic personality combined with high energy, passion and purposeful manner, makes him an effective inspirational and motivational communicator. James has been mentoring entrepreneurs, lecturing students and publicly speaking to...
