Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Louisiana Conservation Review, Vol. 3: April, 1933 During the spring months, eight hundred acres Of eight year old pine plantations were burned over by fire. Both the State and the Experiment Station have inaugurated check plots on this burned area to determine what damage has taken place, and what the future results will be. Definite figures have not been compiled for publication, but the results, so far, are very interesting and are very important as factors in the development of timber growth.
