Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from There Is No Death What Spiritualist has not sat at a seance Where such peepule have made themselves a laughing stock for the whole companly? Yet to allow the deeds and words of fools to affect one s inward conviction of a matter would be tantamount to giving up the pursuit of everything in which one s fellow-creatures can take a part. So let me pray you, whilst you believe, not to believe too much! The second class to which I have alluded, the sceptics, have not done so much harm to Spiritualism as the enthusiasts, because, as a rule, they are so bigoted and narrow-minded that they overdo their protestations and render them harmless. The sceptic refuses to believe anything because he has found one thing to be a fraud. If he gains no satis factory evidence of the presence of (the departed, no one has ever gained such a test. Now such reasoning is neither just nor logical. Again, at sceptic fully expects his testimony to be accepted and believed, yet he refuses to credit the testimony of another person. And if he is told that, given certain conditions, he can see this, or hear thalt, he replies, No I will see it and hear it without any conditions or I will pro claim it all a fraud.
