What do we do with the unexpected circumstances of life? How do we deal with the situations we never imagined would touch our lives? Tears In The Bottle of Grace brings us through one mothers journey as she faced a situation she never believed would be a reality in her life. Follow her through her darkest moments of frustration, filled with doubt and fear as she pointed the finger of blame at the LORD for all her unanswered questions. Through each transforming step of mercy, she would learn to trust in the LORD who loved her. Her darkest moments became her Jewels of Grace, her pain giving way to surrender into the Hands of her loving Father.
