This generously sized book will bring you many hours of coloring fun while you enjoy selected line-art from Wendy's personal images created over the past 5 years including more recent illustration collected for this delightful fantasy art coloring book. 21 Single-sided, full-page images.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- Dr. Everett Dicki DDS
