

## Time Watcher (Paperback)

Filesize: 8.49 MB

### **Reviews**

*The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).*  
*(Payton Miller)*

Archway Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Back when there were no white men--and when the Indians were free--there existed no forces, no posted signs, and no government. But for a Choctaw tribe in present-day Louisiana, the bonds of family and community would provide all the order and safety they needed. Time Watcher tells the story of a young Choctaw boy whose spirit was different than all the rest, and it s a story about a young man who must eventually risk it all to save his family and his tribe. Opening with the details of young Time Watcher s idyllic life living with the land and learning native skills from his parents, a story of love, friendship, and adventure begins to unfold. Time Watcher must save his mother and his sister, Mourning Dove and Little Dove, from a warlike tribe of Cherokee Indians, and his quest to eventually become a medicine man is beset with pitfalls and challenges that he must overcome with his knowledge, courage, and determination. Join young Time Watcher and his tribesmen, friends, and family as they live with the land and join together in spirit, even coming together as warriors to defend themselves and neighboring tribes in battle.
