COURSE OF STUDY IN HISTORY, CIVICS, AND ETHICS FOR THE DAY ELEMENTARY SCHOOLS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Course of Study in History, Civics, and Ethics for the Day Elementary Schools Fundamentally, history, -civics, and Geography deal with relationships or problems arising from man s efforts to live with his fellows on the earth. They are different aspects of the same social subject, rather than three closely correlated subjects as they have often been viewed. This conception of History, Civics, and Geography as a tri-une subject has exercised a controlling influence over the selection of the kind and extent of teaching material, and the recommendations of types of teaching method, made in this Course of Study. It should, therefore, be thoroughly understood and appreciated by the teacher who would achieve the aim intended in this Course.
