*It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Second Story Press. Paperback. Book Condition: new. BRAND NEW, Of Customs and Excise: Short Fiction, Rachna Mara, A collection of interweaving short stories, "Of Customs and Excise" links together the lives of several very different women across oceans and decades. Some we meet in India, others in England and still others in Canada. In one story, an Indian woman who becomes pregnant is rushed quickly into marriage. In other stories, we meet a doctor, a white woman, who helps hide her secret, and the doctor's servant whose background and position cause her to despise her well-meaning employer. Many years later, in Prince Edward Island, we meet that baby, now a teenager rebelling against her family's customs which are so different from the society around her. Women bound together by their gender, by the effects of racism, oppression and sexism are only a few of the themes explored in this compelling collection of original stories.
