House of Bread Books, United States, 2013. Paperback. Condition: New. Debi Warford (illustrator). Language: English . Brand New Book ***** Print on Demand *****.While confronting and redeeming a recent popular secular phenomenon, Hallee Bridgeman, A.K.A. Hallee the Homemaker finds every grain of truth in her second whole food, real food cookbook with in-depth analysis and amazing recipes of yeast breads, quick breads, sourdoughs, and breads using grains other than wheat. The Walking Bread is a cookbook wrapped in a parody surrounded by a comedy with a tongue firmly inserted into a cheek - but the recipes are dead serious and may leave readers searching for all the tasty bread crumbs. I am the bread of life. John 6:48-51 Readers, bakers, homemakers, and cooks all over the world will find themselves slathering the good stuff atop the muffins or corn bread; speeding through the quick breads; and going ape of over the banana bread. These bread recipes are so good, so healthy, and so easy you will want to pass them down from generation to generation.
