Pearson Education Limited. Paperback. Book Condition: new. BRAND NEW, The 18 Challenges of Leadership: A Practical, Structured Way to Develop Your Leadership Talent, Shenaz Kelly-Rawat, Trevor Waldoock, You're a manager. A leader. You come to work and are faced with challenges from the moment you walk through the door (not to mention the ones that followed you home the previous evening). Some of these challenges are internal, some are external. They will also change across your life span and career span. How are you doing in your response to these challenges? Are you clear on what they are? Could you become more effective at responding to each? What actions will you commit to, in order to move forward? Up to now, much leadership development within organizations has been through the use of competency models. You've probably experienced this. It will have been decided what behaviours your organization wants to see in its leaders - if they are to be effective. Like the NHS 16 Qualities. The organization then creates and runs a 360 feedback on each manager, the results of which often need an expert to interpret the wad of pages of data. You, the manager probably came away with a few insights and then put the report at the bottom of a deep drawer. And forgot about it. There is another way. One that you own and that therefore you are far more involved in. It ceases to be something that's done to you - it becomes something you do. Our approach is to engage you in setting the agenda yourself. You become the expert. And you see where you need to act - and how. With the 18 Challenges: \* You create an agenda for your development that is both simple and that you own. \* You get...
