Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Life of Cardinal Newman The lives of all great men are themes of undying fascination. The starry course of their example is a light to our feet and a lamp unto our paths. If even the material world about us is a teacher of the highest truths, If every bird that sings, And every flower that stars the elastic sod, And every breath the radiant summer brings To the pure spirit is a Word of God, how deep and how sublime must the messages be which speak to us from the outspread pages of a noble human life! Man responsive to the divinity within him is a light from heaven; he is the great high priest of nature, giving articulate voice to the beauty, wonder and music of creation, and in the pathway of his glorified and inspiring life humanity toils ever onward and upward the towering hills of ideal manhood. Such leaders in the world s history are few. Like stars, single and bright, they shine in the night. They break out in sudden loveliness like fair flowers amid the common grass. Alone they seem, and separate, and yet they are ours. Their gifts shed honor upon all. Separate, high, wonderful souls! they are the salt of the earth; they preserve mankind, its dignity, its purity and its tone. By them standards are upheld, banners are lifted, trumpets are blown, men s hearts are moulded, lives are transfigured, souls are thrilled.
