LOGIC OF MACHINES AND STRUCTURES (PAPERBACK)

Dover Publications Inc., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Based on common, everyday phenomena, the principles governing the balance of forces on machines and structures are extremely straightforward. Their expression in mathematical form, however, obscures their clarity. This volume exposes the principles of statics in their original simplicity, presenting them as an exercise in logic. The modern analytical method of reasoning is carefully preserved to assist students in their grasp of the thinking that...
