THE DUEL AND OTHER STORIES (PAPERBACK)

Dover Publications Inc., United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. This captivating collection of short stories, selected from works written during Chekhov s prolific period, displays those qualities for which the Russian author and playwright is famous: a natural aptitude for detail, dialogue, humor, and compassion. The six masterfully executed tales, reprinted here in the authoritative Constance Garnett translation, include The Darling, a poignant piece supporting the claim that life has no meaning without love; The Kiss, a fanciful confection recounting an officer s brief encounter with an unknown woman; as well as Anna on the Neck, The Man in a Case, The Malefactor, and the title story. As noted by author John Barth, Chekhov is a superb anatomist of the human heart and an utter master of his literary means. The details of scene and behavior, the emotions registered -- seldom bravura, typically muted and complex, often as surprising to the characters themselves as to the reader but always right -- move, astonish, and delight us line after line, story after story.
