## MY FATHER S KEEPER: THE STORY OF A GAY SON AND HIS AGING PARENTS

DOWNLOAD

Beacon Press, United States, 2007. Paperback. Book Condition: New. 203 x 137 mm. Language: English . Brand New Book. My Father s Keeper is the moving story of Jonathan Silin, a gay man in midlife who learned to care for his elderly parents as a series of life-threatening illnesses forced them to make the difficult transition from being independent to being reliant on their son. Their new needs and unrelenting demands brought them into intimate daily contact and radically transformed what had been a difficult and emotionally fraught relationship. My Father s Keeper chronicles the unexpected ways in which the ideas and skills Silin acquired as an early childhood educator, a specialist in life span development, and a compassionate witness to the devastation of the HIV/AIDS crisis came together with his interest in human psychology to deeply inform his thinking about the dramatic changes in his family s life and increasingly influence his role as his father s (and mother s) keeper. Through the months and years of his parents decline, Silin reflects on their history as a family, recalling the pain of his father s psychological struggles through midlife and the uneasy, imperfect process of accepting his son as a gay man and accepting his son s partner into the family. My Father s Keeper is a book about beginnings and endings, loss and redemption, the ethics of intervention, and the pressing needs of two extremely vulnerable populations.
