Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you re brand new to investing and trading you can learn to go from financial mediocrity to financial prosperity in the time it takes you to read this entire book. This book details what it takes to become a consistently profitable investor and trader in today s financial markets working against the best investors and traders in the world. This is a beginners investing and trading book for people who need a starting point for information. There are zero short cuts in the long beginner learning curve for this business. There is a progression which all self-directed investors and traders who are successful have gone through to become consistently profitable in the live financial markets. This book has some powerful information in it to guide the beginner investor and trader to the easiest way to reduce the long learning curve there can be in the business of making money with money. I wrote this book for all the new and upcoming aspiring day traders, swing traders and investors who are coming into the business and have zero or very limited knowledge so they won t have to waste valuable learning time and money. As of the writing of this book water is a multi trillion-dollar industry right now in 2015, and only is expected to grow exponentially over the next 20-30 years and beyond. This book offers a beginner some ideas as to how to start developing a thesis for investing in water with a long term perspective. When you are done reading this book you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education. The...
