Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Some Recollections of the Last Days of King William the Fourth Though the King had experienced very considerable oppression during the night, yet His Majesty appeared refreshed, and was considered better the next morning, Thursday, May 18, and was not prevented from going to St. James s to hold a drawing-room, which had been appointed for that day. On these occasions, the last on which His Majesty appeared in public, he sat down; but this deviation from his usual practice did not excite so much alarm as the traces of sickness visible in his countenance. His debility, however, notwithstanding the exertions of the day, on reaching Windsor Castle, was not so great on this as on the preceding evening, and a slight improvement the following morning revived the hopes and spirits of His Majesty s anxious friends.
