

## The Tesseract

By Alex Garland

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Alex Garland's international bestseller, *The Beach*, received extraordinary praise, and his writing was compared to Hemingway, Greene, Conrad, Golding, and Huxley. His new novel, *The Tesseract*, is a bold departure from *The Beach*, and demonstrates the enormous range of Garland's talent. *The Tesseract* is a Chinese puzzle of a novel, beautifully written and suspensefully crafted. Set in the Philippines and spanning three generations, it follows three stories whose characters' fates are intertwined: gangsters on a chase through the streets of Manila; middle-class parents putting their children to bed in the suburbs; and a couple of street kids and the wealthy psychologist who is studying their dreams. It is a novel that balances science against religion, and our wills against our fates, asking the ever-elusive question of where meaning lies.
