Harper Teen, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The second book in the sparkling Paranormalcy trilogy from Kiersten White, #1 New York Times bestselling author of *And I Darken* For fans of *Teen Wolf*, *Buffy*, and *Supernatural*, the Paranormalcy trilogy is a witty, fresh, and downright fun read that will capture your heart. Evie finally has the normal life she's always longed for. But she's shocked to discover that being ordinary can be . . . kind of boring. Boring enough that when she's given a chance to work for the International Paranormal Containment Agency again, she agrees. But as one disastrous mission leads to another, Evie starts to wonder if she made the right choice. And when Evie's faerie ex-boyfriend Reth appears with devastating revelations about her past, she discovers that there's a battle brewing between the faerie courts that could throw the whole supernatural world into chaos. The prize in question? Evie herself. So much for normal.
