Jim Maggiore, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.During its 100 years of hosting minor league baseball, Binghamton has been an affiliation of either the Yankees or the Mets for 57 years and the names of the players who have passed through Binghamton and are members of its shrine read like a Who's Who of baseball in New York City, including such notables as Edgardo Alfonzo, Cleve Boyer, Whitey Ford, Lefty Gomez, Bobby Jones, Wee Willie Keeler, Thurman Munson, Joe Pepitone, Bobby Richardson, Ralph Terry, and Tom Tresh. Some of the other shrine members profiled in the book who achieved national fame in the game include Wild Bill Hallahan, Ken Harrelson, Tommy Holmes, umpire and broadcaster Ron Luciano, and Bill Virdon. Over 748 players who have played in Binghamton have gone on to play in the big leagues, with the majority of those playing in the Big Apple! This book profiles the members of Binghamton's Baseball Shrine and also discusses the history of baseball in Binghamton, from the Crickets, to the Bingos, to the Triplets and the current day Double-A team, the Binghamton Mets. The book is full of amusing stories, including the day Ralph Terry strutted like a peacock in Cooperstown, the day Johnny Blanchard hung up the phone when talking with George Weiss, and the day the fiance of Lefty Gomez flushed his engagement ring down a toilet! Testimonials include: Ralph Terry, star pitcher for the Yankees in the 1960s: I was 18-years-old when I arrived in Binghamton or my first year in pro ball, with a duffel bag in one hand and a game of Scrabble(r) in the other. This is where it all began and I remember it...
