My Joy is the Journey . . . is a compilation of daily guidelines, morsels of truth, affirmations, and revelations -all inspired by one student s desire for inner growth, material success and love. A spiritual journey carrying Deirdre J. Burrell, DD, as far as Europe, Africa, Japan, China, and the Caribbean, sparked the life-altering decision for her to leave a successful career in order to continue her life s mission. Spiritual training, meditations, and visualizations for guidance culminated into messages that are presented here in My Joy is the Journey. Three years of spiritual growth, intimate thoughts, and personal reflections are shared with the reader in startling clarity. These elements are presented in a step-by-step method for seeking truth, receiving confirmations, and a working method for living in The Light. She reveals how the doorways of Heaven can expand one s understanding, while helping to obtain success on a multitude of levels in this rapidly changing world. The journey starts within: and reaches far beyond the mind s eye.
