Transform Your Life with Colour: Discover Health, Healing and Happiness Through Colour (Paperback)

By Charles Phillips

Ryland, Peters Small Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Colour speaks to us on a deep level, opening doorways to the mind and spirit. Our mood and sense of wellbeing can be powerfully boosted by the colours of the walls, furnishings and other objects in our homes, of the clothes we wear, of the flowers in our gardens, of the light in our living spaces - even by the colour of the food on our plates. Colour treatments can be used to safeguard and improve health: the therapeutic use of coloured gems, colour-infused drinks and coloured light derives from wisdom that can be traced back to ancient Egypt. Gathering together and illuminating all these different aspects, Transform Your Life with Colour is a lavishly-illustrated celebration of the world of colour. An introductory section describing how we perceive colour and how it affects us is followed by chapters on Colour and Clothes, Colour in Your Home, Colour in Your Garden, Colour and Nutrition and Colour, Health and Wellbeing. By discovering the colours that are right for you and unlocking their power, you can improve all aspects of your life quickly, easily, and for good.
