The first time I met Mason Reed, we were standing naked in a bank, surrounded by guns. That should have been a warning. An MMA champion, trainer, and philanthropist, but not a man who gives up easily, Mason is trouble dipped in ink and covered in muscle. Growing up in foster care, I'm well aware that relationships are temporary, and I do my best to avoid them. After a sheet-clenching one-night stand, I'm happy to move on, but Mason pursues me relentlessly. Sweet, caring, protective, and at times, a bossy control freak, this persistent man has climbed inside my heart, and I can't seem to shake him. After saving me from a life-threatening situation, he's also won something much harder to obtain. My trust. But does he deserve it? Is his true face the one he shows the world? Or is his charitable, loving manner only a thin veneer? This book contains sexual situations and is intended for ages 18 and older. This item ships from La Vergne, TN. Paperback.
