

Letters Undelivered (Paperback)

By Lianne Figueroa

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Letters Undelivered is a collection of prose, poems, and letters that examine the dichotomy of love: missing someone you know isn't good for you. First-time author Lianne Figueroa explores what influences a woman's choice in relationships—particularly, toxic relationships. Each entry has been written with the desire to inspire each woman who reads it to love herself more than she loves being loved by someone else. If you've ever been managed emotionally, you'll connect with Listen. If you're a millennial, In This Generation will speak to you. If you've ever found yourself thinking about the one you used to love while being loved by someone else, you'll relate to The Irony. These are just a few of the seventy-five entries in Letters Undelivered. This volume of prose and poetry speaks to the heart of women from all generations who have loved and lost.

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Otis Wisoky

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).

-- Dr. Everett Dicki DDS
