Harper Perennial. Paperback. Book Condition: New. Paperback. 192 pages. Dimensions: 7.8in. x 5.2in. x 0.6in. The first collection of short fiction from Jess Walter, New York Times bestselling author of *Beautiful Ruins*, *We Live in Water* is a diverse suite of stories marked by the wry wit and generosity of spirit that has made him one of America's most talked-about writers. Stories in *We Live in Water* range from comic tales of love to social satire and suspenseful crime fiction. Traveling from hip Portland to once-hip Seattle to never-hip Spokane, to a condemned casino in Las Vegas and a bottomless lake in the dark woods of Idaho, this is a world of lost fathers and redemptive con men, of personal struggles and diminished dreams. In title story *We Live in Water*, a lawyer returns to his corrupt hometown to find his father, who disappeared 30 years earlier. In *Thief*, a blue-collar worker turns unlikely detective to find out which of his kids is stealing from the family fund. *Anything Helps* sees a homeless man try to raise money to buy his son the new Harry Potter book; and in *Virgo*, a newspaper editor attempts to get back at his superstitious ex-girlfriend by screwing with her horoscope. Also included are *Dont Eat Cat* and *Statistical Abstract of My Hometown*, Spokane, Washington, both of which achieved cult status after their first publication online. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
