Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

WHERE BEAR?

PHILOMEL Jan 2015, 2015. Buch. Book Condition: Neu. 282x216x10 mm. Neuware - 'Nothing short of magnificent.'-- Library Media Connection '[A] winsome debut.'-- New York Times This beautifully illustrated, fun read-aloud picture book will have kids everywhere asking the same question: 'Where, bear ' Once there was a bear cub who lived with a little boy. But over time the bear cub grew . . . and grew . . . and GREW! And did things that bears do . . . and do . . . and DO! One day the boy looked at the bear and realized he was just too big and bearish to be living in a house. 'I think it's time we found you a new place to live where you can be bearish and big,' said the boy. 'But where, bear ' From the only two-time World Book Illustrator Sophy Henn, here is a delightful journey that reminds us that even when best friends are apart, they always stay together. Praise for WHERE BEAR '[N]othing short of magnificent. Each page is absolutely charming and begs to be looked at again and again.'- Library Media Connection , starred review '[A] winsome debut . . . The catchy refrain, 'Then where, bear ,'and Henn's sophisticated matte-toned illustrations make for a zippy take on the 'finding your place' genre.'- New York Times Book Review 'This gentle tale about friendship and home will give early readers and their grown-ups plenty of food for discussion.'- Kirkus Reviews ' Simple illustrations in bold colors allow the bear's repertoire of expressions - chagrin, boredom, and terror - to take center stage.'- Boston Globe '[C]hildren will gravitate to the rhythmic repetition and the graphic design. A notable debut.'- Booklist 32 pp. English.
