Against uncomfortable competition in national telegraphy, the Western Union Company, led by Jay Gould, with a number of new telegraphic firms warred to maintain her primacy. When the murderer of Jim Fisk becomes a partner in one of his competitors, revengeful competition is pursued by Gould. The Broadway Rapture is of historical fights for capital superiority. This play is one of the Gouldium, a series of dramas on the life and times of Jay Gould. As in most of these plays there are seven scenes of dialogue and seven choral episodes. Certainly the oddest if most distinctive book of verse I've seen since Hector was a pup. The depth of your hatred for Keynesian economics, that could sustain you through 1564 tightly wrought couplets, is dumbfounding. - X. J. Kennedy on Shakespeare Versus Keynes. You've blended very well the traditions of Shakespeare, Homer, and the English language sonnet, without erring on the side of pretense. The language is high, direct, and modern. I'm thrilled with these. Zachary Bos, editor of Sixty Six: a journal of sonnet studies. For those looking for an alternative view of Shakespeare, for a view framed in a context which the Bard would most likely have enjoyed, Light presents a wonderful presentation. Terrence McGarty, CEO of Telmarc Group, on Shakespeare Undiminished.
