Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Corporate America is no longer content doing what it does best, which is making money. These business behemoths are aggressively attempting to control the entire economic, cultural and political realms of American life. They have nearly succeeded. Most Americans would agree that corporate power should be prohibited from disrupting the natural rhythm of our democratic institutions. Yet we the people are thwarted from addressing the subject of corporate power, not because we do not wish to have the conversation, but because we have nobody to address the issue. Our political representatives, hostages as they are to corporate campaign donations and government lobbyists, cannot seriously debate the question of corporate power. Indeed, their very careers depend on corporate power. Meanwhile, the media, the so-called Fourth Estate, refuses to discuss the issue of excessive corporate power because the media itself is a corporation. At the same time, the consequences of excessive corporate power are becoming acutely obvious inside of the corporate universe. Today, fewer U.S. workers are spending more time on the job to produce a greater amount of products, while not receiving fair recompense. Meanwhile, wages for American workers, adjusted for inflation, have remained stagnant for the past 30 years, while U.S. vacation time in the United States is the lowest of all the industrial economies. The blatant lack of representation in the workplace is directly responsible for these shameful statistics. Just 7 percent of the American workforce today enjoys union representation, a percentage that pales in comparison with past generations. There is also the question of corporations disrupting the fabric of cultural life. Indeed, today Main Street U.S.A. is largely unrecognizable. This can be witnessed in everything from the preponderance of fast...
