Createspace Independent Publishing Platform, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Ministry of Healing was first published in its present form in 1905. Its roots, however, began as far back as the 1860s with materials Ellen White wrote for publications such as Health Reformer, Good Health, Appeal to Mothers, How to Live, and Christian Temperance and Bible Hygiene. This version is a full original text rendition. Over 200 hand drawn illustrations from that era have been restored and add much to its attractiveness and study value. Christ spent more time healing and ministering to the physical needs of suffering humanity than he did to preaching. He related to people in the areas of their felt need and after gaining their attention and indebtedness he ministered to their spiritual needs, encouraging them to -go and sin no more.- He was indeed the pattern Medical Missionary. Through His example in ministry He calls not only health professionals but every admirer of His to -come and follow Me.- This book helps us to see the natural laws of our bodies as the divine laws of a loving Creator. Practical counsel guides us in our day-to-day care of our physical being in ways that will greatly maintain physical health and in general provide us a longer, more productive, and enjoyable life span. There is also much information on how to best minister to those who are suffering physically, mentally, and spiritually. There is good, practical advice on how to provide effective home health care which, in many instances, will diminish, the need for professional health care and fewer medications.
