PARENTING IN CRISES: BIBLICAL GUIDE TO SOLVING THE 21ST CENTURY PARENTING CRISES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is an understatement that 21st century parenting is in crisis. Today, many parents are exhausted, lost, confused, stressed, depressed, and have a lack of understanding of their scriptural roles and responsibilities. Economic demands, pursuit of professionalism, single parent syndrome, parenting by proxy, peer pressure, social media influence and the millennial syndrome amongst others are some of the critical challenges confronting parenting in the 21st century. Our 21st century society is totally insane, they have successfully brainwashed our women to despise their role as homemakers. Most homes are in shambles. We urgently need Gods intervention. It is a shame that women today no longer want to be mothers and home keepers as the Bible teaches us. When both parents seek career relevance in exchange for raising Godly Children, one thing is sure to happen; you either have a successful career or automatically raise ungodly Children. This book is an absolute must read for all Christian parents who desire to raise Godly children.
