Build a Shed

By Rick Arnold

Taunton Press, United States, 2011. DVD video. Condition: New. Language: English . Brand New Book. Building a shed? See how an expert does it. Building a shed is a complex undertaking that involves many different skills and can easily blindside you with questions you didn't anticipate. To help your project go smoothly, we developed this how-to video to fully prepare you for what to expect and how best to approach the job to ensure success. Invest an hour and a half to get up to speed. Let Rick Arnold guide you through sixteen nicely paced episodes that show you how to start with the right foundation, measure for a perfect fit, construct and raise the walls, install door and window modules, attach siding, build trusses, and shingle the roof. Learn additional techniques as you build your shed. Plus you'll also find additional options for a laying a sturdy foundation and when to use each, how to build your own custom double doors, add interior shelving, construct a handy equipment ramp, and even landscape your shed. Visualize critical steps with 3-D plans. Before you begin, you'll already have a complete overview of the project because demonstrations are illustrated...
