

## Essays (Classic Reprint) (Hardback)

By G K Chesterton

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Essays Existence has been praised and absolved by a chorus of pessimists. The work of giving thanks to Heaven is, as it were, divided ingeniously among them. Schopenhauer is told of as a kind of librarian in the House of God, to sing the praises of the austere pleasures of the mind. Carlyle, as steward, undertakes the working department and enforces a life of labour in the fields. Omar Khayyam is established in the cellar and swears that it is the only room in the house. Even the blackest of pessimistic artists enjoys his art. At the precise moment that he has written some shameless and terrible indictment of Creation, his one pang of joy in the achievement joins the universal chorus of gratitude, with the scent of the wild flower and the song of the bird.
