RECOLLECTIONS OF MY LIFE, VOL. 3 OF 3 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Recollections of My Life, Vol. 3 of 3 This morning found us off the lofty, far-extending ridges of Teneriffe. Although the day was cloudy, the panorama that presented itself was very interesting, and new in its features. Picturesquely did the long serrated ridge of the volcanic mountain display itself, with its sharp angular summit, its pointed Needles which, springing as it were from an extraneous nature, gazed up towards heaven from among the dark clouds, sometimes like the menacing finger of a giant, sometimes like the tower of a lofty ruin. Various deep rifts of volcanic origin extend down the heights, casting their deep shadows over the picture, even to the boiling sea. Between these, and flowing gently down from the black peaks of rock to the ocean, are the layers of cold lava. Thousands of years ago they caused death now Victorious nature (as on the ridges of Vesuvius) pursues her upward course over the vanquished lava. That the volcano has long been silent one may see by the fresh turf which creeps over the red earth almost to the top of the highest summit; by the pine woods, which force a way for themselves among the picturesque masses of rock and finally by the numerous houses and hamlets which, scattered among fields of well-ordered husbandry, enliven the sombre scene in a cheerful manner far up the height. The whole resembles the northern coast of Madeira: one finds the same red-coloured soil, the same turf growing on the mountains, the same dusky colouring in the masses of rock; only, in addition to these.
