Ditch Words with No Power New Year Resolutions have a very limited-time warranty. Most resolution makers fizzle out around January 17th, the official Ditch New Year s Resolutions Day. Words of life count for.life. Offering more than just five easy steps to say farewell to tradition, Dr. Roslyn Ashford wants to spiritually grow you to make the most of your next season with thirty powerful declarations. And this 14-day Christian devotional centers on starting something new-all words lead to a happy, new, and whole life. Access the Year You Want Where would we be without tradition? Making prosperous decisions, being uncommon, getting over our mistakes, and blazing new trails. Dr. Ashford, a former professional counselor, knows that true transformation involves more than pressing reset at midnight. What we need is to put down old words, ditch words that have no power, and declare words of life to access the year we want. We long to have the desires of our heart met, and God hears us. As His words allow us to have a crystal-clear clarity to hear Him, we ll walk boldly from the religions and rituals that hold us captive. We will not faint in our wilderness. We ll be blessed on our journey. And we will arrive at abundant living.
