Poetry Comes Up Where It Can (Paperback)

By Brian Swann

University of Utah Press, U.S., United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. Walk with this book to find some of the unexpected places where poetry can flourish. Discover poetry growing where it can, in the infinite and in the microscopic: in the star-gazing, star-thinking, star-dreaming. Milky Way, and in minute invisible architectures. of snowflake sculpture reality; in mountain passes where gold leaves spill and spin like doubloons, and in the grizzly, hunger-hearted and ugly, a horrible beauty, / a hairy breath of berry-laced and blood-hot red, / hunter and hunted, and hated; in the city where birds survive to sing about sun- / light straining through the gritty breath / of New York, and in wilderness that has no nakedness, that is lovely because it is empty. The poems in this anthology first appeared in The Amicus Journal, the quarterly publication of the Natural Resources Defense Council (NRDC). Selected by the journal's poetry editor, Brian Swann, they represent a broad array of responses to the natural world--from warning to celebration--by some of the nation's most distinguished poets. Included is work by American poets Wendell Berry, Michael Dorris, Denise Levertov, Mary Oliver, Pattiann Rogers, and William Stafford, as...

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).
