Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All my life, it has been instilled in me, When you hear hoof beats, think of horses, not zebras. However, I have decided to go against the grain and not always go with the simple when the rare is so much more intriguing. When you hear zebras all the time it doesn't mean you are out of the box, you are just in another box. Thus, ZEBRA THOUGHTS. Zebra Thoughts: Poetic Inspiration For The Soul is a collection of poems that span the scope from religion to everyday living. It shines the microscope on religion from the inside out and offers a new perspective. However its focus does not stay on just the spiritual, it is a convergence of upliftment and personal experience. Zebra Thoughts is written and compiled with the intention of inspiring the reader to embrace their stripes for their similarity yet uniqueness. Its examination of the mind of a zebra will empower you through simple truths, motivation, and testimony.
