## Shakespeare for the Seeker

By Wes Jamroz

Troubadour Publications. Paperback. Book Condition: New. Paperback. 244 pages. Dimensions: 8.5in. x 5.5in. x 0.6in. The inner design of Shakespeare plays is invisible to a merely rational mind or a speculative intellect. This is why the analysis presented here will be wholly unconvincing to those who claim logic as the highest principle. It will appear to be no more than a proof based on selected instances. It can be easily ridiculed, particularly if taken out of context. Shakespeare illustrated this kind of incomprehension as the reaction of the young lovers who ridiculed the performance of Pyramus and Thisby in A Midsummer Nights Dream. Similarly, irritated Hamlet did not grasp the message contained in The Murder of Gonzago and as the result fell into his own mouse-trap. In other words, there is no rational or intellectual means to provide a proof of the interpretation of the plays. Neither is it possible to identify the inner structure of the plays by applying scholarly methods based on aesthetic or linguistic criteria. It is possible, however, to enhance the visibility of the inner design of Shakespeares plays by constructing a contrast play. Such a play would employ some of Shakespeares characters and episodes. It would...
