AUTHORHOUSE, United States, 2004. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Since God exposed man to the knowledge of good and evil in the Garden of Eden, God has never forgotten that original theater of His Creative Acts, which is the region now known as IRAQ by its two rivers Tigris and Euphrates, matching Gen.2:10-14, a river out of Eden waters the garden .the name of the third river is Hiddekel (Tigris); and the fourth river is Euphrates. There God set in motion His 8-phases Project, as He had designed to Create, Separate, Prepare, Descend, Edify, Empower, Produce and Harvest (all the steps will be described here), for the humankind s spiritual journey; but against man s progress, that same location where man fell, man found his enemy and God made promise, the Garden of Eden remained a fixed type of evil echoing throughout human history for the whole wayward world as God hammers again and again upon Babylon. Though that Garden vanished from view, Eden was there as the center of contention, of rebellion, and of devastations, the area of the Flood of Noah, of the Tower of Babel, and of Babylon where Israel s Prophets were cast into fire and into dens of lions. The Babylon of Terror, of false gods and of spirit-seers, recently became the Iraq of Saddam Hussein and his evil regime of torture chambers and mass graves, and now the beleaguered winnowing floor of the Coalition Troops, in a war (as will be clearly shown here) that has been sent by the mandate of God to disperse the wheat from the chaff, and to once again help us discern good from evil.
