THE ODYSSEY: GREEK CLASSICS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Odyssey - Homer - Greek Classics - COMPLETE EDITION - Complete 24 Books - Any one who at the present day discusses the questions that have arisen round the Iliad since Wolf's time, without keeping it well before his reader's mind that the Odyssey was demonstrably written from one single neighbourhood, and hence (even though nothing else pointed to this conclusion) presumably by one person only—that it was written certainly before 750, and in all probability before 1000 B.C.—that the writer of this very early poem was demonstrably familiar with the Iliad as we now have it, borrowing as freely from those books whose genuineness has been most impugned, as from those which are admitted to be by Homer—any one who fails to keep these points before his readers, is hardly dealing equitably by them. Any one on the other hand, who will mark his Iliad and his Odyssey from the copies in the British Museum above referred to, and who will draw the only inference that common sense can draw from the presence of so many identical passages in both poems, will, I believe, find no difficulty in assigning their proper value to a large number of books here and on the Continent that at present enjoy considerable reputations. Furthermore, and this perhaps is an advantage better worth securing, he will find that many puzzles of the Odyssey cease to puzzle him on the discovery that they arise from over-saturation with the Iliad.
