some radicals/theologians whom say that prophets no longer exist because they no longer believe in gifts and the five fold ministry. Jesus
practiced the Five fold ministry for the edifying of the saints. We will share with our readers the purpose of a prophet, why they are sent out, and
how effective they are to the Body of Christ. The author has more than 15 years of experience of speaking the Word of God too many churches.
Prophets are quite distinctive and have an unusual calling to the nations. Prophets bring correction and reproof by the voice and will of God.
