Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When life threw her an unexpected curve, Barbara Bentley took the experience and turned it into a book to help others understand the crazymaking world of psychopaths. While writing her first book, Barbara discovered that she had used four simple tools throughout her life to create success after success. She wrote The Little Book of Success to share her discoveries. Using everyday examples from her life, she illustrates how passion, planning, patience, and persistence turned her dreams into reality. This little book will help you do the same. At the end of each chapter, there are questions to Give it Some Thought and a few lined pages for the reader to jot down ideas that emerge. Use this book to help you achieve success. Gift this book as an inspirational path for graduates, newlyweds, birthdays, or whenever someone needs a lift to know that they can make a difference for themselves and for others.
