*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

**MIDNIGHT DAYDREAMS: POETRY OF HEART TALES AND MINDSCAPES (PAPERBACK)**

Ridge Light Press, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Dominique Renda and Blake Horsley's *Midnight Daydreams* invites the reader on a journey through breathtaking and heartfelt landscapes of lives both recognizable and unforeseen. The authors' candid poetic portraits offer compelling characters, and represent a deep slice of life, of crystallizing moments, realizations, and dreams lost and found. Witty, heartbreaking, and inspiring, these poems affirm our humanity and rouse our spirit. Tales of a mother's feelings for her children, undying and impossible to suppress, a son's independent voice, a spry woman's inquisitive perspective on time, an exhausted man's effort to reclaim it, veterans of war and adjustments, explorations of values and redemption, and the insight and passion of a creative life. Dominique Renda and Blake Horsley engage the reader in a conscious exploration of characters and poetic stories that bring us home. Excerpt from *Seated*, in *Midnight Daydreams*, by Dominique Renda: . . . This is it, you say to me, and the rustic room falls away, and the sounds cease to carry, the patrons change to shadows, and the light shines on truth, the aged wood walls listen while sweet molasses steam pulls back in, and I am old, old in a moment, framed in time and stuck to the leather bench marking the day I sat down to say goodbye to you. And in quiet mind, I wonder. How does time trade passion for passage, and the journey for a mere view? The heavy doors open, a couple enters to place their order, a family exits with a bag of what's left. History creates expectation, you say to me, your voluntary mother offering involuntary farewell, and expectation makes it so. Editorial Reviews Review Transportive poetry....
