Real Raw Hope (Paperback)

By Rio McKee

Montezuma Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. On October 1, 2015 an active shooter took the lives of nine people on the campus where I work. Then he took his own. I buried my feelings about the tragedy. Deeply. Eleven months passed before everything began to surface. In November 2016, I opened my mouth to a therapist who patiently let me work through foreign feelings. Eventually, I felt safe enough to begin sharing a lifetime of secrets. It was excruciating and impossible to speak about them out loud, so I wrote them instead. This book is the result of my first five months of therapy. Writing has given a voice to the child who stopped talking about the truth over fifty years ago ? from the four year old to the fifty year old ? too many secrets. Secrets buried under shame, guilt, great fear, embarrassment, loyalty to family and abusive men. A list so long, its heavy weight had become too much to bear.
