Pale soft blue to white colored eggs with incubation About 17 days.siblings as well as parents help feed Baby birds in the nest Little bluebirds leave the nest at about three weeks old Nests are from 2 above ground up to 50 high in trees Feathers, fur, branches, and plant cotton used to make nests *** I found a bluebird recently and could see it was injured, I checked to see if it s wing was okay, it was not broken, so I brought it some grain bread and later a worm. He was amazing. I decided since bluebirds were some of my favorite birds, I d put a video together to show tribute, especially since the Blue Angels are bluebird flight jets as well, and we had recently lost a Blue Bird #6 Captain Jeff Kuss on June 2, 2016 of whom I felt very badly about losing, so I put a tribute up especially for him, to help ease the loss of another...
