HUE KNEW? COLOR MY WORLD WITH GRATITUDE: USING THE PSYCHOLOGY OF COLOR TO EMOTE AND EVOKE THE EMOTIONS THEY RE ASSOCIATED WITH (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.By using the psychology of color to emote and evoke the emotions they re associated with you re better able to destress and relax. But did you also know you can also: stop fidgeting, lower blood pressure, and even increase intelligence? In this Hue Knew? Series - I ve combined my background in color theory with my life experiences and advocacy skills and with this perfect little storm became books based on real life situations like Gratitude, Positive Thinking, and Exciting Opportunities. Because as humans, sometimes we let fear, our lack of being mindful and even ourselves - stand in our own way. Most often, this is a subconscious act. Will these coloring books drastically change your life and how you live it? Nah, only you have the power to do that. But they re a really, REALLY - great first step and in the right direction for forging forward and taking what is yours and what you deserve. Besides that, none of us can have too many tools in our mental health toolboxes. Adult Coloring Books, are a great, soothing and fun tool! Inside this book the colors suggested will be the ones that best trigger the feelings associated with the topic of the book and there will be 2 to 4 choices that work together. The premise behind using the psychology of color is to use this color suggestion predominately AND variations of. If you ve ever been to a paint store, then you know there are hundreds of shades of each and every color. Choose the hues that warm your heart and color your blues yellow while staying in the realm of the color scheme. And.you re not married...
