

## The Moral Mafia (Paperback)

By Prof Dan Reynolds

Rnr Publishing Company, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Feds need evidence to convict Chicago mafia boss, Tony Constantino, for a cyber-crime they are certain he committed. Jim O'Brien, a computer forensics expert at the top of his game, is stumped over the case. He makes a deal with the notorious mafia don to reveal the truth about a stealth technology that could either help mankind, or bring it to its knees. As O'Brien prepares to turn his findings over to the FBI, an unspeakable personal disaster strikes his family. O'Brien blames a failed society—a nation rife with drugs, sex and violence for his family's devastation. He vows to rid the country of the corruption that has long plagued it. He feels he owes it to his suffering family. But can he do it? Can he use the mafia's technology as a weapon to reshape the morals of America? It might work, but the tiniest mistake could spark a civil war and ignite a powder keg of fatal events that could change history forever.

### Reviews

*Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.*

*-- Joshua Gerhold PhD*

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.*

*-- Meagan Roob*
