SUMMARY - She seemed like the perfect lady! As far as New York City attorney Cody Shea could see, Sara Wells was a model temp. She had brains and beauty--in fact, if he hadn't been her boss, there were a few highly improper things he would have asked the very proper Southern belle to do. Living in Manhattan under an assumed name for a year was Sara's brief flirtation with freedom. Now back in her natural habitat, she's prepared to marry a gentleman whose pedigree and fortune match her own. She's even accepted that she'll probably spend a lifetime fantasizing about the exquisite pleasure of being a tigress in her boss's bed. Imagine if he only knew!.
